

# WARRANTY

Dear Customer,

Thank you for the confidence placed in us by purchasing one of our products and hope to provide an excellent service for many years. As manufacturers and makers of the product you purchased, we are convinced of the excellent quality of it, and hope it does not need any technical intervention for a long time.

## GENERAL SCOPE

Guarantees, as manufacturer to the buyer and/or user all rights under the law 23/2003 of July 10, in consumer good sales.

It also guarantees to the buyer and/or user of the device whose data is contained in the Warranty Document, repair the equipment if it has sustained damage due to a defect in material or workmanship, provided it is intended for private use and that has been handled properly and in accordance with instructions for assembly, connection, commissioning and management. These repairs will be free including the cost of spare parts and displacement of technical staff to the user address presenting purchase document and guarantee.

This warranty applies to the minimum guarantee that we offer as producer.

To qualify for this guarantee, it is essential to demonstrate to Official Service the date of product receipt. For this, it is only necessary to show the INVOICE, receipt or the delivery note whichever is later of invoice or receipt date. So, keep your invoice or sales receipt attached with this document.
